The media and Wilkie Farr and Gallagher lie all the time. [@RudyGiuliani](#) left a kitchen table, all appliances, dishes, cups, decorative bowls, bed, 2 TV's, dining room table, two marble stands, large hutch, desk, 2 couches, numerous lamps rugs, plus in his NY apartment.

See other post. Today more stuff was delivered. Furniture is exempt under NY law. Judge Liman is not a good judge. Wilkie Farr and Gallagher broke items and laughed over items saying.. 'my husband would like this'. I hope they didn't steal anything
